

TAKE ACTION SURVEY

Dear voting member:

I am concerned about how budget cuts will affect my education and extracurricular programs. To the right, I have ranked actions that are being considered to save money in our district from 1 (most preferred option) to 8 (last resort). Please take time to vote for our school district's budget on May 18th. And when you do, I hope you will consider my opinion. Thank you.

- Cut back extracurricular activities including athletics
- Reduce or eliminate field trips
- Postpone buying equipment, new textbooks and library materials
- Eliminate or reduce summer school
- Reduce transportation offered to students
- Reduce advanced placement courses
- Reduce music and art
- Reduce elective classes
